

Clarksburg's Newest Shopping Center

Morrison Store Co.

Will open for business Saturday, April 1st. A word to the public. In many sections of West Virginia, the Morrison's method of merchandising needs no introduction, yet one of these stores opening up in Clarksburg may not be surprising to a great many people living in this and adjoining counties. There are thousands not familiar with our very low prices. 75 per cent of the merchandise bought and sold by the Morrison Company is bought direct from the manufacturers, thereby eliminating the jobber's or middle man's profits. In other words, direct from the manufacturer to you. We are absolutely one-priced cash people. We handle a staple and reputable class of merchandise, selling thousands of dollars' worth of goods at less money than many merchants pay wholesale. We invite the purchasing public to pay us a visit. THE VISIT WILL PAY YOU. While there are many lines of goods, we will not have on display at our opening, yet we want to impress upon the public that these goods are in making to fill our orders and will be added very soon.

Remember, Once a Morrison Customer, Always a Morrison Customer

We pledge our reputation in 25 West Virginia counties that ONLY A SQUARE DEAL AWAITS OUR FRIENDS AND PATRONS IN CLARKSBURG AND SURROUNDING COUNTIES.

We cordially invite you to come in and see our goods and prices and get acquainted. We will at all times attempt to keep clerks that are efficient and courteous. It is no trouble to show goods. We are here to SERVE THE PUBLIC, SO MAKE YOUR WANTS KNOWN. THE MAN IN OVERALLS IS AS WELCOME AS THE BEST DRESSED MAN OR WOMAN IN WEST VIRGINIA. Remember the place, 330 Main St., Clarksburg, W. Va.

Yours very respectfully,
W. L. MORRISON STORE CO.

While fulfilling his many duties to the cause of the Colonists, Jefferson neglected his private affairs for so many years that he became heavily involved in his old age.
